About the 'Skate Jam'

Each discipline will have time to practice before the competition starts for 'Best Timed Run' When called you will have 45 seconds to perform your set. You will have 3 runs to perform then the top 3 will go straight to the final and have one last run to impress the judges. There will also be prizes for the 'Smoothest Ride' given from the heats.

There will also be chance to win prizes for 'Best Trick' where you will have 3 attempts to land your best trick.

This Jam is also to help create visibility of the Park & aid getting it extended. PBSS have made great progress in the last year to extend the park & also to also make it floodlit. We now need YOUR HELP to support & show that this Skate Park is needed and to be extended
