Widths Classes

Due to the success of the club in the last few months, and the number of new learn to swim members who have joined us, we have several widths classes that are currently full.

This means it is no longer possible to automatically be able to attend a different class to the one you normally attend (it will depend on the alternative group's class size).

If you wish your child to swim in a different group please contact us or speak to the teachers/committee members at the pool.

Wednesday Night Changes

With effect from this Wednesday 9th September, there are two changes to session times at Beeches pool.

Beginners Lengths has a new start time – 6.30pm every Wednesday (Monday night remains at 6pm). Vicky Harris is the new teacher for Beginners Lengths on a Wednesday (Vicky also teaches Beginners Lengths on a Monday evening at Beeches pool).

The Wednesday night Youth Group will now swim at the same time as the seniors, as per the other sessions during the week. Their start time on a Wednesday will now be 8pm with Tom Reader.

Cash Payers - Membership

January 2016 will see a small surcharge added to the cash payments each month – if you would rather change to pay by standing order, please ask for a standing order form from the sweetie desk at beeches.

All payments must be made monthly – any late payers will lose the right to pay by cash.
