

## Virtual Open Water Development Days 2021 Code of Conduct for Parents/Guardians

As a parent/guardian of an attending athlete we expect you to:

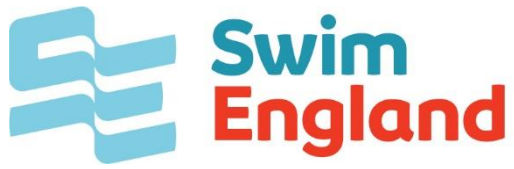

### **Essentials**

1. Make sure your child has the right kit and is located within a suitable space for the day.
2. Ensure your child into the sessions on time and logs out when required.
3. Inform us if you're running late to log in or if your child is being supported by someone else on the day.
4. Complete all consent, contact and medical forms and update us straight away if anything changes.
5. Tell us if you wish to talk to us about any concerns regarding your child. We will arrange a mutually convenient time so you can talk to us.
6. Engage in the day in a positive manner supportive of your child, the coaches and supporting team.

### **Behaviour**

1. Remember that children get a wide range of benefits from participating in one of our sports, like making friends, getting exercise and developing skills. It's not all about wins and losses.
2. Behave positively as a spectator and treat others with respect.
3. Give encouragement to your child and tell them when they've done well and provide support when they are struggling.
4. Respect and celebrate difference in our Region and not discriminate against anyone else on the grounds of gender, race, sexual orientation, faith or ability.
5. Understand that the use of abusive or inappropriate language, bullying or any other behaviour which hurts others will not be tolerated by the Region.
6. Understand that poor behaviour may result in the club taking disciplinary action against you. Any behaviour which alleges a criminal offence will be reported to police by the Region.
7. Talk to your child and ensure they understand the rules of the Region and the sport.
8. Ensure your child understands their Code of Conduct.

**Breaches of this Code of Conduct may result in disciplinary action being taken against you by the Region.**
